

ASA Certification for Experienced Sailors

YOUR EXPERIENCE COUNTS!!!

Put your sailing experience to good use. Now you can obtain your ASA Certification without having to take the whole course.

SeaHawk Sailing School now has a program that takes your sailing experience into consideration. You already know how to sail, so just demonstrate your skills to get your ASA certification.

Earning Your ASA Certification is Now Easier Than Ever

It's a quick, two-step process. Take and pass the ASA written exam, then demonstrate your sailing skills on the water.

Save Time and Money - Do It All in a Day

Take the ASA Basic Keelboat or Coastal Cruising exam for \$50. Pass it and you then demonstrate your on-the-water skills for \$150. SeaHawk Sailing School will then present you with your ASA Log Book and process your certification for \$50. Sailing couples save an additional 10%.

Obtain YOUR ASA Certification

Your Boat is Ready When You Are

And don't forget to visit SailTime at www.sailtime.com. Now you don't have to own a boat in order to enjoy sailing. You do the sailing - we do the work.
